

**State of Missouri Fire Safety Advisory/Education Commission
Needs Assessment**

Purpose: Training funds are appropriated annually to the Division of Fire Safety to provide contracted training for fire departments within Missouri. The distribution of these funds is determined by the State of Missouri Fire Safety Advisory/Education Commission, which is comprised of various positions within the fire service from a range of fire department sizes and types.

Goal: To provide funding to fire departments across Missouri to ensure the needs are met for the citizens they serve. Furthermore, provide training which will reduce the injuries or deaths among fire service personnel.

Directions: Please respond to questions below regarding the training needs of your fire department for the year 2012/2013. Submit only one response per department please.
