You must hold active certifications in each level you are requesting to evaluate. The Division of Fire Safety will verify your certifications prior to the admittance of the specific evaluator course requesting.

As a Certification Test Evaluator, I agree to abide by all of the rules and conditions stipulated by the Missouri Division of Fire Safety in conducting training, certification testing, controlling examinations, maintaining records and submitting reports. I further agree not to reproduce or release any testing materials or divulge the contents of the testing banks to anyone other than during an approved test. I understand that to do so would violate my certification agreement with the Division of Fire Safety and thereby cause the revocation of certifications I hold with the Division of Fire Safety.

\textbf{EVALUATOR CRITERIA}

\textbf{SUPERVISING EVALUATOR CRITERIA}

All evaluators for any certification level must be approved by the Division of Fire Safety Training Unit prior to serving as an evaluator.

To serve as a Supervising Evaluator for a certification examination, individuals must meet the following criteria:

1. Serves as an instructor for an approved agency; however, cannot have served as an instructor for class to be tested.
2. Be certified by the Division of Fire Safety as a Fire Service Instructor II.
3. Be certified by the Division of Fire Safety at the level he or she is evaluating. For example, in order to evaluate Fire Fighter II, evaluator certification must be at the Fire Fighter II level.
4. Has attended a Certification Evaluator Seminar.
5. Agrees to abide by all of the rules and conditions stipulated by the Division of Fire Safety.
6. Agrees to and signs an "Evaluator Code of Ethics" for each exam administered.

Written certification exams will be administered by Division of Fire Safety employees as assigned and approved by the Deputy Chief of Training and Certification.

\textbf{EVALUATOR CRITERIA}

Evaluators are chosen through a mutual agreement between the Supervising Evaluator and the Division of Fire Safety. Evaluators are predominately used to evaluate students during practical skills testing.

To serve as an Evaluator for a certification examination, individuals must meet the following criteria:

1. Serves as an instructor for an approved agency; however, cannot have served as an instructor for class to be tested.
2. Be certified by the Division of Fire Safety as a Fire Service Instructor I.
3. Be certified by the Division of Fire Safety at the level he or she is evaluating.
4. Has attended a Certification Evaluator Seminar.
5. Agrees to abide by all of the rules and conditions stipulated by the Division of Fire Safety.
6. Agrees to and signs an "Evaluator Code of Ethics" for each exam administered.
